Case No. 6:22-cv-01460-AN

**PROPOSED INTERVENOR-PLAINTIFF  
NATIONAL ALLIANCE ON MENTAL  
ILLNESS-OREGON'S MOTION FOR  
EXTENSION OF TIME**

Plaintiffs,

v.

SEJAL HATHI, MD, in her official capacity  
as Director of Oregon Health Authority,

Defendant.

Proposed Intervenor-Plaintiff National Alliance on Mental Illness-Oregon ("NAMI-Oregon") moves for a two week extension of time to file its Reply in support of its Motion to

Intervene, until and including December 16, 2024. The Parties have conferred, and counsel for Defendant, Jon Monson, does not oppose this request.

The reason for the request is that primary counsel for NAMI-Oregon, Matthew Kalmanson, will be on a long-planned family vacation beginning on November 25, 2024 through December 2, 2024. Because of that vacation, the press of other work, and the complexity of the issues that underlie this case, NAMI-Oregon needs two additional weeks to draft and file its Reply in support of its Motion to Intervene.

This Motion is made in good faith and not for purposes of delay.
